## 1. Qualitative Information on Quarterly Consolidated Financial Performance

### (1) Explanation on the business results

During the first quarter ended June 30<sup>th</sup>, 2014, since the US economy was on a gradual recovery trend and the Eurozone economy showed a sign of an upturn but economic growths in Asia and some emerging countries were slowing down, the world economy lacked dynamism. Regarding the industry related to the Yushin Group (hereinafter “the Group”), demands on the industry of automotive and IT devices for smartphones and etc. were strong and also demands for consumer goods and container industries increased.

In these circumstances, the Group maintained take-out robot sales a good condition but custom-ordered equipment sales decreased. As the results, consolidated net sales decreased by 4.2% year-on-year to 3,580 million yen. Operating income decreased by 18.4% year-on-year to 354 million yen, ordinary income decreased by 31.2% year-on-year to 382 million yen and net income for the period decreased by 25.0% year-on-year to 244 million yen.

Please note that from this fiscal year, the Group unified the reporting date of accounting period for preparing consolidated financial statements. If the previous method was applied to this first quarter, consolidated net sales slightly increased by 16 million yen.

Regarding orders received, take-out robots developed based on the concepts of a high-speed motion, vibration suppression and an energy saving were recognized its performance in many countries of the world and kept strong orders.

### (2) Explanation on the financial condition

#### <Assets>

Total assets decreased by 394 million yen from the end of the previous fiscal year to 25,857 million yen. This was mainly due to increase of “Other” in “Property, plant and equipment” by 177 million yen and decrease of “Notes and accounts receivable - trade” by 692 million yen.

#### <Liabilities>

Total liabilities decreased by 487 million yen from the end of the previous fiscal year to 3,888 million yen. This was mainly due to decrease of 613 million yen in “Income taxes payable”.

#### <Net assets>

Net assets increased by 93 million yen from the end of the previous fiscal year to 21,969 million yen.

### (3) Explanation on the forecast information including consolidated earnings forecast and others

No revisions for interim and full year have been made to consolidated earnings forecasts for the fiscal year ending March 31, 2015 released on May 9, 2014.

## 2. Other Information (Notes)

### (1) Changes in significant consolidated subsidiaries

None

### (2) Adoption of special accounting methods for preparation of quarterly financial statements

The effective tax rate on income before income tax for the consolidated fiscal year after the application of tax effect accounting is reasonably estimated, and this estimated rate is applied to net income for the quarterly period under review.

Income taxes–deferred are included in income taxes in the consolidated statements of income.

### (3) Changes in accounting principles, accounting estimates and retrospective restatement

#### (Adoption of Accounting Standard for Retirement Benefits)

Effective from this first quarter of the fiscal year ending March 31<sup>st</sup>, 2015, the Group adopted the Accounting Standard for Retirement Benefits (Accounting Standards Board of Japan [ASBJ] Statement No. 26 issued on May 17, 2012; hereinafter “the Accounting Standard for Retirement Benefits”), and its Guidance on Accounting Standard for Retirement Benefits (ASBJ Guidance No. 25 issued on May 17, 2012; hereinafter “the Guidance on Retirement Benefits”) in accordance with article 35 of ASBJ Statement No. 26 and article 67 of ASBJ Guidance No. 25. The Group changed that the method for calculating retirement benefit obligation and service costs, the attribution method for projected retirement benefit from a straight-line basis to a benefit-formula basis and the

method for determination of a discount rate from based on the number of years that approximates average remaining service period of employees to based on a single weighted-average discount rate reflecting to the projected payment period for retirement benefits and the value of each projected payment period.

Regarding to the adoption of “the Accounting Standard for Retirement Benefits”, in accordance with transitional accounting as stipulated in Article 37 of “the Accounting Standard for Retirement Benefits”, the effect of the changes in the new method for calculating retirement benefit obligation and service costs is recognized as “Retained earnings” in consolidated balance sheet on the beginning of the first quarter.

As the result, “Net defined benefit asset” on the consolidated balance sheet increased 142,415 thousand yen and “Retained earnings” increased 91,858 thousand yen on the beginning of the first quarter of the current fiscal year. Also noted that the effect on profit and loss in the period ending June 30<sup>th</sup>, 2014 is considered to be minimal.

#### (4) Additional Information

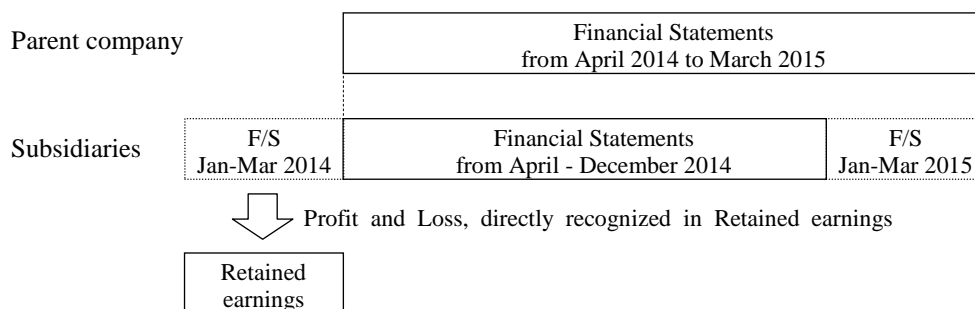

(Change in fiscal year of subsidiaries)

The date of closing accounting period for Yushin America, Inc. and all other consolidated subsidiaries was December 31<sup>st</sup> of the year until last fiscal year of the Group. Subsidiaries’ financial statements as of the closing date were used in preparation of the consolidated financial statements and adjustments considered necessary for consolidation were affected with respect to material transactions occurred during the period between the day after the account closing date of the subsidiaries and the consolidated account closing date.

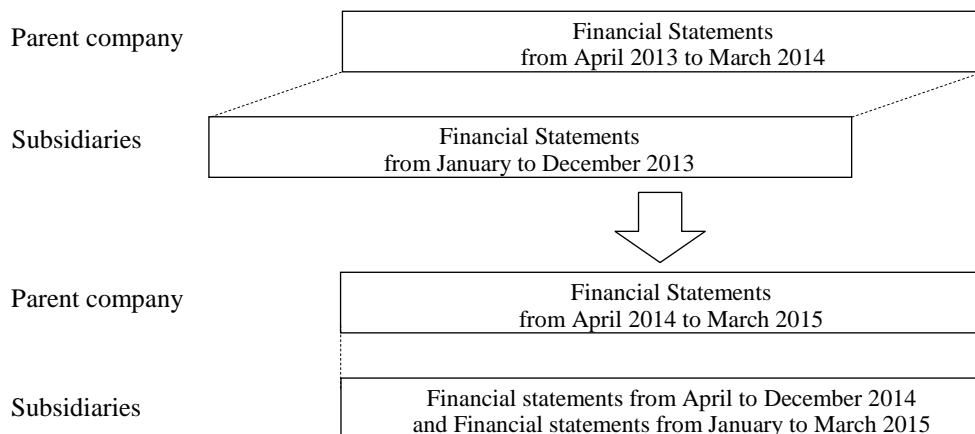

In order to provide more appropriate disclosure of consolidated financial statements, the Group altered the way of disclosure on the consolidated financial statements based on a unified accounting period. All subsidiaries prepare provisional settlements of account as of March 31<sup>st</sup> and those financial statements are taken into the consolidated financial statements from this first quarter of the fiscal year.

Profit and loss of all subsidiaries between January 1<sup>st</sup>, 2014 and March 31<sup>st</sup>, 2014 were directly recognized in “Retained earnings” of the consolidated financial statements.
