#### (3) Reasons for the Revisions

During the previous fiscal year, Yushin Group decided to discontinue an unprofitable business, manufacturing and sales of semiconductor-related equipment. As the result, company's profitability increased and operating income ratio was improved more than initially envisioned. Therefore, the forecast for the consolidated earnings are anticipated to exceed our previous forecast.

#### (Notes)

The forecast above is based on the information currently available. A number of factors could cause actual results to differ materially from expectations.
