Business Report

(from April 1, 2016 to March 31, 2017)

1. Current Business Conditions

(1) Progress and achievements

In the fiscal year ended March 31, 2017, there was an uncertainty about economic and trade policies by the new US government as well as politics in Europe. However, the economy of the US remained steady against a background of improvements of the employment environment and expansion of the individual consumption. In Europe, the economy was on recovery trend since “Brexit” impact was temporary. In Asia, there were slowdown in Chinese economy and stagnation of the economic growth in emerging countries, but there was pickup in the second half of the year. On the whole, world economy made a mild recovery.

In these circumstances, Yushin Group has strived to expand operation in a new business area, to develop new products and to obtain new world-class customers. However, consolidated net sales decreased by 8.5% year on year to 19,346 million yen because sales in new business area fell below expectation and there was strong yen. As regards profit, in addition to decrease in net sales, there were cost occurred relating to the new ERP system launched last November and the relocation of the HQ implemented last December. As a result, operating income decreased by 31.5% year on year to 2,112 million yen and ordinary income decreased by 29.6% year on year to 2,058 million yen, and net income attributable to shareholders of the parent company decreased by 27.7% year on year to 1,380 million yen.

(5) Issues to be addressed

As for the business environment surrounding Yushin Group, the world economy is expected to show a recovery trend as a whole. However, there remains uncertainty such as effect from the economic and trading policy of new US government, the political trend in Europe and escalation of international tensions.

As for issues to be addressed, Yushin Group must differentiate and strengthen the products including price competitiveness and strengthen our sales capabilities worldwide as well as develop world-class human resources who can sustain expansion of our presence around the world.

In the new business area, Yushin Group must develop and bring new products to the market in the business area where Yushin Group can manifest technological and/or sales synergies in order to establish multiple core businesses.

Under these circumstances, Yushin Group aims to develop itself further as a number-one company across the board in the “take-out robot” industry with Yushin Group philosophy “Through the ongoing creation of innovative technology, we make a far-reaching contribution to society on a global scale”

As for strategy, Yushin Group will extend the quality and scale of our business by strengthening our sales capabilities worldwide and developing and distributing products to meet customers’ demands. Particularly a new model of take-out robots with new functions is scheduled to be launched this year. We also expand sales of custom-ordered equipment in a medical and a new business area. For the purpose of enhancing these all efforts, Yushin Group aims to improve productivities and to promote operational efficiencies utilizing the new HQ, as well as to continue cost reducing activities.

Other than that, Corporate Auditors develops the standards and guidelines for the course of action by Corporate Auditors conducting audits of the Company's Internal Control System, including the "Audit Practice Standards relating to the Internal Control System," and Corporate Auditors conduct its audits pursuant to such practice standards.

7. Policy Concerning Decisions on the Dividends of Surplus

The Yushin Group manages its businesses considering the return of profits to shareholders as one of its important managerial issues.

To that effect, it is the basic policy of the Yushin Group to proactively return profits to shareholders by maintaining a stable operational base, improving its ROE and effectuating dividends based on the performance results of each respective fiscal year. Specifically, the Yushin Group has a target at the realization of 30% and more of dividend payout ratio to consolidated net income attributable to shareholders of the parent company.

For this fiscal year, a full-year dividend is 36 yen per share, consisting of an interim dividend of 15 yen per share and a year-end dividend of 21 yen per share.

1. Basis of Preparing Consolidated Financial Statements

(1) Scope of consolidation

All 12 subsidiaries of the Company, provided below, fall within the scope of consolidation.

List of Subsidiaries
Yushin America, Inc.
Yushin Korea Co., Ltd.
Yushin Precision Equipment Sdn. Bhd.
Yushin Precision Equipment (Taiwan) Co., Ltd.
Yushin Precision Equipment (Thailand) Co., Ltd.
Yushin Automation, Ltd.
Yushin Precision Equipment Trading (Shenzhen) Co., Ltd.
Yushin Precision Equipment Trading (Shanghai) Co., Ltd.
Yushin Precision Equipment (India) Pvt. Ltd.
Guangzhou Yushin Precision Equipment Co., Ltd.
PT. Yushin Precision Equipment Indonesia
Yushin Precision Equipment (Vietnam) Co., Ltd.

(2) Application of the equity method

There is no non-consolidated subsidiary or affiliate company.

(3) Accounting policies

a. Valuation of important assets

i) Securities

Available-for-sale securities classified as other securities

- Securities with available fair market values are reported at fair value on the consolidated account closing date

(Unrealized gains or losses, net of applicable taxes, reported in a separate component of equity.

The cost of securities sold is principally determined by the moving average method)

ii) Inventories

- Merchandise and finished goods, Work-in-process

Principally carried at cost determined by the identified cost method (the carrying value on the balance sheet is written down to reflect the effect of lower profit margins)

- Raw materials

Principally carried at cost determined by the periodic average method (the carrying value on the balance sheet is written down to reflect the effect of lower profit margins)

- Supplies

Carried by the last purchase price method

b. Depreciation

- i) Property, plant and equipment (excluding leased assets): Principally computed by the declining balance method

The range of useful lives for major assets is as follows:

Buildings: 13 - 40 years

Structures: 7 - 20 years

Machinery and equipment: 5 - 12 years

Tools, furniture and fixtures: 2 - 8 years

- ii) Intangible assets (excluding leased assets)

- Software used internally: Straight-line method based on the expected useful lives

- Other intangible assets: Straight-line method

- iii) Leased assets: For leased assets under non-ownership transfer finance lease transactions, the

Company applies a straight-line method with the lease period as useful life and the residual value as 0.

c. Estimation on important allowance and reserves

- i) Allowance for doubtful accounts:
To provide for possible bad debt losses, the amount deemed unrecoverable is accounted using the loan loss ratio based on past experience for general claims and by examining the possibility of recovery on an individual basis for specific claims with default possibility.
- ii) Provision for bonuses:
In order to allocate the payment of employees' bonuses, the Company provides the amount subject to the fiscal year under review among the total estimated amount to be paid as employees' bonuses.
- iii) Provision for directors' bonuses:
The Company provides the projected payment amount to be allocated for the payment of bonuses to Directors and Corporate Auditors.
- iv) Provision for product warranties:
To provide for expenses incurred for free repairs related to product sales, an amount is accounted based on historical experience.
- v) Provision for directors' retirement benefits:
The Company provides the estimated amount of retirement benefits to Directors and Corporate Auditors which would be required if all Directors and Corporate Auditors retired at the balance sheet date according to internal regulations. This plan was terminated on June 29, 2006 and no additional provision has been recorded since then. Therefore, the balance as of March 31, 2016 is provided in proportion to the term that present Directors had been in their respective positions before June 2006.

d. Other significant matter for the preparation of Consolidated Financial Statements

- i) Accounting for Assets and Liabilities for Employees' retirement benefits
To provide for employees' retirement benefits, based on the projected benefit obligations at year-end and the pension asset balance, the amount of pension assets surplus to projected benefit obligations is recorded.
The net actuarial loss or gain is subject to amortization from the next fiscal year of the recognition thereof onward in an amount pro-rated by the straight-line method based on the average remaining employee service period (10 to 16 years) at the time of the recognition of net actuarial loss or gain in each fiscal year.
Unrecognized actuarial differences is recorded in "Remeasurements of defined benefit plans" under "Total accumulated other comprehensive income" in Net assets after adjusting for tax effects.
- ii) Accounting for Consumption tax and local consumption tax
Consumption tax and local consumption tax are accounted for using the tax excluded method.

2. Changing in accounting policies

(Application of guidance on "Recoverability of Deferred Tax Assets")

The company has applied "Guidance on Recoverability of Deferred Tax Assets" (Accounting Standards Board of Japan [ASBJ] Guidance No.26, March 28, 2016; hereafter "Guidance on Recoverability") from the beginning of the current fiscal year and revised a part of the accounting procedure for recoverability of deferred tax assets.

The Company has applied "Guidance on Recoverability" in accordance with the provisions on transitional implementation indicated in Article 49(4) of "Guidance on Recoverability." The differences between the amount of Deferred tax assets and Deferred tax liabilities in applying Article 49(3)① through ③ of "Guidance on Recoverability" at the beginning of the current fiscal year, and the amount of Deferred tax assets and Deferred tax liabilities at the end of the previous fiscal year have been added to Retained earnings at the beginning of the current fiscal year.

As the result, at the beginning of the current fiscal year, Deferred tax assets ("Investments and other assets") increased by 20,367 thousand yen and Retained earnings increased by 20,367 thousand yen.

3. Changes in presentation

(Consolidated Balance Sheet)

"Consumption taxes receivable", which was included in "Other" in Current assets until the

previous fiscal year, is presented separately from the fiscal year under review, because its materiality increased. “Consumption taxes receivable” in the previous fiscal year was 102,232 thousand yen. (Consolidated Statements of Income)

“Subsidy income”, which was included in “Other” in Non-operating income until the previous fiscal year, is presented separately from the fiscal year under review, because its materiality increased. “Subsidy income” in the previous fiscal year was 12,208 thousand yen.

6. Notes to Financial Instruments

(1) Conditions of financial instruments

a. Management policy

Yushin Group has a policy of limiting investments of unused funds to short-term deposits, certificates of deposits and similar instruments and never using these funds for speculation. Internal resources are used to meet all working capital requirements. Derivative instruments may be used to hedge exposure to foreign exchange rate risk but will never be used for speculation.

b. Details of financial instruments and their risks

Operating receivables consisting of Notes and accounts receivable - trade are generally exposed to the credit risk of customers, while foreign currency denominated operating receivables at foreign operations are exposed also to the foreign exchange risk.

Investment securities are available-for-sale securities and are exposed to risk associated with market price volatility.

Operating debt consisting of Notes and accounts payable - trade and Electronically recorded

obligations - operating are largely due four months or less. Accounts payable - other and Income taxes payable are due one year or less.

c. Risk management system for financial instruments

Payment dates and balances of outstanding are supervised for each customer based on rules for the management of trade receivables and credit. In addition, there is a system for monitoring the financial soundness of customers.

For Investment securities, there are measures to periodically monitor the fair values of these securities and the financial soundness of issuers of these securities.

1. Summary of Significant Accounting Policies

(1) Valuation of important assets

- a. Stocks of subsidiaries and affiliates
Carried at cost determined by the moving average method
- b. Available-for-sale securities classified as other securities
 - Securities with available fair market values are reported at fair value on the closing date (Unrealized gains or losses, net of applicable taxes, reported in a separate component of equity. The cost of securities sold is principally determined by the moving average method)
- c. Inventories
 - Merchandise and finished products, Work in process:
Carried at cost determined by the identified cost method (the carrying value on the balance sheet is written down to reflect the effect of lower profit margins).
 - Raw materials:
Carried at cost determined by the periodic average method (the carrying value on the balance sheet is written down to reflect the effect of lower profit margins)
 - Supplies:
Carried by the last purchase price method

(2) Depreciation

- a. Property, plant and equipment (excluding leased assets): Declining balance method
The range of useful lives for major assets is as follows:

Buildings:	13 - 38 years
Structures:	7 - 20 years
Machinery and equipment:	12 years
Tools, furniture and fixtures:	2 - 8 years
- b. Intangible assets (excluding leased assets)
 - Software used internally: Straight-line method based on the expected useful lives
 - Other intangible assets: Straight-line method
- c. Leased assets: For leased assets under non-ownership transfer finance lease transactions, the Company applies a straight-line method with the lease period as useful life and the residual value as 0.

(3) Estimation on allowance and reserves

- a. Allowance for doubtful accounts:
To provide for possible bad debt losses, the amount deemed unrecoverable is accounted using the loan loss ratio based on past experience for general claims and by examining the possibility of recovery on an individual basis for specific claims with default possibility.
- b. Provision for bonuses:
In order to allocate the payment of employees' bonuses, the Company provides the amount subject to the fiscal year under review among the total estimated amount to be paid as employees' bonuses.
- c. Provision for directors' bonuses:
The Company provides the projected payment amount to be allocated for the payment of bonuses to Directors and Corporate Auditors.
- d. Provision for product Warranties:
To provide for expenses incurred for free repairs related to product sales, an amount is accounted based on historical experience.
- e. Provision for directors' retirement benefits:
The Company provides the estimated amount of retirement benefits to Directors and Corporate Auditors which would be required if all Directors and Corporate Auditors retired at the balance sheet date according to internal regulations. This plan was terminated on June 29, 2006 and no additional provision has been recorded since then. Therefore, the balance as of March 31, 2016 is provided in proportion to the term that present Directors had been in their respective positions before June 2006.

(4) Employees' retirement benefits

To provide for employees' retirement benefits, based on the projected benefit obligations at year-end and the pension asset balance, the amount of pension assets surplus to projected benefit obligations is recorded in the "Other" field under "Investments and other assets." The net actuarial loss or gain is subject to amortization from the next fiscal year of the recognition thereof onward in an amount pro-rated by the straight-line method based on the average remaining employee service period (10 to 16 years) at the time of the recognition of net actuarial loss or gain in each fiscal year.

(5) Other basic significant matter for the preparation of Financial Statements

Consumption tax and local consumption tax are accounted for using the tax excluded method.

(6) Changes in accounting policies.

(Application of guidance on "Recoverability of Deferred Tax Assets")

The company has applied "Guidance on Recoverability of Deferred Tax Assets" (Accounting Standards Board of Japan [ASBJ] Guidance No.26, March 28, 2016; hereafter "Guidance on Recoverability") from the beginning of the current fiscal year and revised a part of the accounting procedure for recoverability of deferred tax assets.

The Company has applied "Guidance on Recoverability" in accordance with the provisions on transitional implementation indicated in Article 49(4) of "Guidance on Recoverability." The differences between the amount of Deferred tax assets and Deferred tax liabilities in applying Article 49(3)① through ③ of "Guidance on Recoverability" at the beginning of the current fiscal year, and the amount of Deferred tax assets and Deferred tax liabilities at the end of the previous fiscal year have been added to Retained earnings brought forward at the beginning of the current fiscal year.

As the result, at the beginning of the current fiscal year, Deferred tax assets ("Investments and other assets") increased by 20,367 thousand yen and Retained earnings brought forward increased by 20,367 thousand yen.

(7) Changes in presentation

(Balance Sheet)

"Guarantee deposits" which was separately presented until previous fiscal year, is reported in "Other" in Investments and other assets from this fiscal year under review, because its materiality decreased. "Guarantee deposits" at the end of this fiscal year is 10,786 thousand yen.

"Lease obligations" and "Long-term guarantee deposited" in Non-current liabilities which were separately presented until previous fiscal year, are reported in "Other" in Non-current liabilities from this fiscal year under review, because their materiality decreased. "Lease obligations" and "Long-term guarantee deposited" in Non-current liabilities at the end of this fiscal year are 5,081 thousand yen and 680 thousand yen respectively.

(Statements of Income)

"Subsidy income", which was included in "Other" in Non-operating income until the previous fiscal year, is presented separately from the fiscal year under review, because its materiality increased. "Subsidy income" in the previous fiscal year was 12,208 thousand yen.

Pursuant to the fourth paragraph of Article 444 of the Companies Act, we have audited the consolidated financial statements, namely, the consolidated balance sheet as of March 31, 2017 of Yushin Precision Equipment Co., Ltd. (the "Company") and its consolidated subsidiaries, and the related consolidated statements of income and changes in net assets for the fiscal year from April 1, 2016 to March 31, 2017, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in Japan, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in Japan. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Audit Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Yushin Precision Equipment Co., Ltd. and its consolidated subsidiaries as of March 31, 2017, and the results of their operations for the year then ended in accordance with accounting principles generally accepted in Japan.

Interest

Our firm and the engagement partners do not have any interest in the Company for which disclosure is required under the provisions of the Certified Public Accountants Act.

			To the present	
		June 2016	Outside Director of YAMADA Consulting Group Co., Ltd.	
			To the present	
Reasons for nomination as an Outside Director: Yasuo Nishiguchi has held such positions as the President and Representative Director, and the Chairman and Representative Director at Kyocera Corporation. Based on his knowledge and experience in general management cultivated through prominent corporate positions, we asked him to give the Company advice and supervision of operations as an Independent Director. Thus, because we can expect to strengthen the function of the Company's Board of Directors, he is a candidate for an Outside Director of the Company.				

No.	Name (Date of birth)	Career summary, position, areas of responsibility, and representation of other organizations	Number of shares held
7	Hiroshi Matsuhisa (August 5, 1947)	<p>June 1976 Research Assistant of school of precision engineering in Faculty of Engineering at Kyoto University</p> <p>October 1987 Assistant professor</p> <p>April 1994 Professor (transferred to graduate school of department of Mechanical Engineering and Science by a reorganization in 1995)</p> <p>April 2012 Professor emeritus at Kyoto University</p> <p>June 2014 Outside Director of the Company To the present</p> <p>June 2016 Outside Corporate Auditor of Technology Seed Incubation Co., Ltd.</p>	2,000 Shares
<p>Reasons for nomination as an Outside Director: Based on the specialized knowledge by the person with academic standing in engineering of Kyoto University, the Company will ask for advice and oversight from an independent position. Because this will strengthen the function of the Company's Board of Directors, Hiroshi Matsuhisa is a candidate for an Outside Director. Although the person has no experience in direct corporate management, our belief is that he will be able to properly fulfill assigned duties as an Outside Director of the Company for the reasons cited above.</p>			

- Note: 1 *The candidates for the new Director
- 2 The candidates for Directors have no special interests in the Company.
- 3 Yasuo Nishiguchi and Hiroshi Matsuhisa are candidates of Outside Directors.
- 4 Yasuo Nishiguchi and Hiroshi Matsuhisa are the present Outside Directors of the Company and their term of office as Director of the Company is respectively three (3) years at the closing of this General Meeting of Shareholders. The Company has registered Yasuo Nishiguchi and Hiroshi Matsuhisa as Independent Officers provided in the rules of the Tokyo Stock Exchange and submitted notices to this effect to the Exchange. Yasuo Nishiguchi and Hiroshi Matsuhisa will be continuously registered as Independent Officers if they are reappointed.

Proposal 2: Election of Two (2) Corporate Auditors

The terms of a Corporate Auditor, Shujiro Sawada and Takao Yoshikawa will expire at the conclusion of this meeting.

Accordingly, we propose to elect two (2) new Corporate Auditors.

The Board of Corporate Auditors has consented to this proposition.

The candidates for the position of a Corporate Auditors are as follows:

No.	Name (Date of birth)	Career summary, position, areas of responsibility, and representation of other organizations		Number of shares held
1	* Yoshihisa Nakanishi (June 5, 1959)	March 2008	Joined the Company	1,000 Shares
		April 2008	General Manager of Personnel Affairs Section	
		June 2008	General Manager of Accounting Department	
		July 2015	General Manager of Internal Audit Office	
			To the present	
	Reasons for appointment: Yoshihisa Nakanishi has been primarily engaged in management and operation of internal audit and accounting and has extensive experience and achievement. Because of the expectation of strengthening the Company's audit competence utilizing his experience and achievement, he is a candidate for a Corporate Auditor of the Company.			
2	* Michitoshi Morimoto (August 9, 1957)	April 1981	Joined FUJITEC Co., Ltd.	- Shares
		February 1982	Joined Osaka Research Institute of Industrial Science and Technology	
		February 1987	Joined Matsushita Electric Industrial Co., Ltd. (Panasonic Corporation)	
		October 1990	Joined Nomura Research Institute, Ltd.	
		January 2016	Joined Human Holdings Co., Ltd. Executive officer (CIO)	
		November 2016	Retired from the Human Holdings Co., Ltd.	
	The reason for the nomination as an Outside Corporate Auditor The specialized knowledge of corporate information technology/system strategy is expected to be put to effective use for the Company. Our belief is that this must help strengthen the Company's audit competence. Thus, Michitoshi Morimoto is a candidate for an Outside Corporate Auditor. Michitoshi Morimoto has no experience for business administration directly, but the Company judges that he has the ability to execute business properly as an Outside Corporate Auditor of the Company as mentioned above.			

Note: 1 *The candidates for the new Corporate Auditors

2 Yoshihisa Nakanishi has no special interests in the Company. The consulting contract concerning ERP system was entered into between Michitoshi Morimoto and the Company in the past, but the volume of transactions was insignificant (less than 0.1% of the consolidated net sales).

3 Michitoshi Morimoto is a candidate of Outside Corporate Auditor.

4 Michitoshi Morimoto meets the criteria of Independent Officer provided in the rules of the Tokyo Stock Exchange and the Company plans to register him if he is appointed.
