**Editorial policy**

We have prepared this YUSHIN Report to help all of our stakeholders better understand how we create social and economic value and strive for sustainable growth. In preparing this report, we referred to the "International Integrated Reporting Framework" of the IFRS Foundation and the "Guidance for Collaborative Value Creation 2.0" of the Ministry of Economy, Trade and Industry.

---

**Reporting period**

The main period covered in this report is the fiscal year ended March 31, 2023 (April 1, 2022 to March 31, 2023). Some of the contents include information outside of this period.

---

**Scope of report**

This report covers YUSHIN PRECISION EQUIPMENT CO., LTD. and its 13 consolidated subsidiaries.

---

**Notes on the forecast and outlook**

The forecasts and outlooks contained in this YUSHIN Report 2023 are based on information available at the time of preparation and are judged to be reasonable by the Company, and include potential risks, uncertainties and other factors. Therefore, actual results may differ from the forecasts and outlooks due to changes in various factors.
